Kapolei Property Development

Year Completed

2004

Project Description & Firm's Responsibility

Gannett Pacific Corporation proposes to construct a production facility on approximately 11 acres of undeveloped land in Kapolei City. The site is located at the intersection of Kalaeloa Boulevard and the railroad right-of-way.

Work included the preparation of construction plans, specifications, and cost estimates for offsite roadways and drainage, water, and sewer facilities. Hydrologic / hydraulic analysis of the drainage system was performed. Services during construction were provided.
